ROMANTIC NIMB LET THE MAGIC SWEEP YOU AWAY

Hvad kan være mere romantisk end et bryllup på Nimb – et maurisk eventyrslot med klassisk elegance og udsigt til Tivolis grønne haver og blomsterhav.

På Nimb bliver den store dag en oplevelse for livet – uanset om du har familien på gæstebud eller er på romantisk bryllupsrejse. Lad dig inspirere af vores bryllupsdesignere og mesterkokke, der med kreativ fantasi og sans for detaljer gør den store drøm til virkelighed.

Few destinations in the world are romantic as Nimb. Designed as an Maurish fairytale in 1909 with open views to the flower gardens, Nimb is an inspirational location for that very special occasion – in the heart of Copenhagen.

Celebrating your wedding or honeymoon at Nimb promises a lifetime experience. With attention to detail and creative imagination, our wedding designers and staff will ensure memorable moments tailored to your dreams.
