

GROUP MENU 2024

Havesalen (The Garden Room)

The dining room has undergone an extensive renovation, during which we uncovered the original mirror panels with the famous Tivoli motifs. To emphasise the nostalgic theme, the flooring, dating from the original year of construction, has been restored. An oasis of palms decorates this fantastic room, which now also opens out to the terrace. We can accommodate a total of 135 guests in The Garden Room.

Tivolisalonerne (The Tivoli Rooms)

These exciting and original rooms perfectly suit a medium sized company or family get-together - from a business dinner for a closed group to a grand stylish party. We can accommodate a total of 12 guests in Tivoli Room 1, 18 guests in Tivoli Room 2, and 45 guests in Tivoli Room 3.

Den runde Salon (The Round Room)

A business dinner, a larger family event or a company get-together can be held in the ideal atmosphere of this beautiful, bright, glass enclosed room.

This lovely room, situated by itself, offers you the possibility of having a private party or celebration without missing out on the true Tivoli atmosphere. We can accommodate between 20 and 30 guests in The Round Room.

Terrassen (The Terrace)

The Terrace is the place where hundreds of happy Tivoli guests meet without having to worry about the unpredictable Danish summer. The Terrace is covered and has café type folding doors, which you can open and close depending on the weather. The Terrace is not only an à la carte restaurant but also the place where both large and small groups can enjoy a delicious lunch or dinner in close proximity to the garden. We can accommodate a total of 220 guests on The Terrace.
